PACA partners and vendors contact our office via telephone and e-mail; they can also benefit from accessing information using our website. Any partner with Internet capability can go directly to our website (above address) and log in to immediately see our list of contracts. Partners can view the list, download the information requested and place orders in a matter of minutes. New information and agreements are added weekly. We have made every effort to include those contracts that would be the most useful to the partnership, but our PACA staff is ready to locate your information if you do not find something you need.

PACA Partners and vendors can view partner listings, current solicitations and access vendor registration on the web page.

PURCHASING OPTIONS

There are several ways in which PACA partners can purchase the goods and services they need.

The Co-op Process:

- ❖ Partners use their contracts
- ❖ Partners send out bids
- ❖ Partners can "piggyback" off Jefferson County contracts
- ❖ Partners can use State contracts
- ❖ Partners can pool needs and let PACA issue and award contracts for them

When awarding bids, the Jefferson County Purchasing Department adheres to the guidelines of the State Bid Laws. As a result, partners can feel assured that our purchasing process is by the law. Also, partners can save taxpayers' dollars, and vendors will offer volume discounts and still make a profit. These purchasing options are a win-win solution for everyone involved!

Mission Statement

*Our goal is to provide PACA partners with the highest degree of service and satisfaction, by achieving measurable success financially and by cooperation among governmental agencies.
We continue to seek ways to improve and expand services of our association.*

FEATURED *NEW BID AWARD*

PORTABLE AIR PURIFIERS

BID NO. 40-21

Greetings PACA Partners!

As we move beyond the COVID-19 restrictions and life eases back toward normal, many of us are returning to the office and sending our children back to school for in-person learning. So naturally, you want those areas to be safe and clean as possible, especially the air we will breathe for hours on end. Portable Air Purifiers could be your solution.

Jefferson County/ PACA Bid No. 40-21 has several options available for purchase. Prices range from \$300 to \$1,000 and have features such as HEPA 13 filtration, commercial & medical grade, low filter change rate, smartphone programmable, and much more

For more information, visit the PACA website: <http://paca.jccal.org>.

Sign in using your PACA partner credentials> Select Search/Inquiry, then PACA contracts>Choose search Method, select Bid No, enter Bid No. 40-21, and click the search icon **OR** email PACAservices@jccal.org for assistance.

Partner SPOTLIGHT

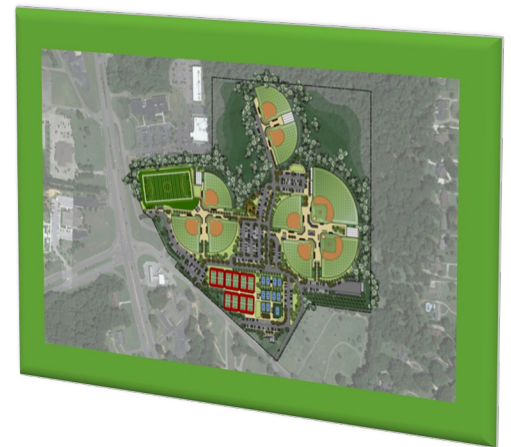

In Gardendale, like every other city, the last 14 months have been a challenging time for everyone going through the pandemic. We have all been impacted either through the sickness or death of a friend or loved one. But now, there is light at the end of the tunnel as we continue working to get back to normal.

As the mayor of Gardendale, I am very proud of our employees who have worked through this, serving our residents. One thing is certain, all our employees are essential! They have persevered and done an excellent job with a great attitude and very few complaints.

Our next big project will begin at the end of 2021. Plans are being drawn now for a new recreational complex at Bill Noble Park on Moncrief Road. The current park will be completely demoed. The new facility will have nine baseball/softball fields, a football field, a beach volleyball court, eight tennis courts, eleven pickleball courts, basketball goals, playground, pavilions, and much more. All playing fields will be synthetic turf, and upon completion, this park will be the nicest park along I-65 in the entire state. Our children deserve a new place to play, and our boys and girls will now be able to play within the same park. Then, on the weekends, the new park will serve as an economic development engine to increase revenue not only in our city but the entire county. The new park will be marketed across the southeast as a premier destination for baseball and softball tournament play. The completion date is set for March of 2023.

We all have so much to be thankful for in closing, and God has blessed our community. The city council and I are here to serve, and as I've said many times over the last few years, "Greater things have yet to be done in this city!"

***Sincerely,
Mayor Stan Hogeland
City of Gardendale***

WE WANT TO HEAR FROM YOU!

We want to know your product needs and how vendors are performing.

From time to time, you will receive a survey from us, and we need your feedback. This will help us improve the bids and the quality of products & services you receive.

*The surveys are very short.
